HAMBURG / DÜSSELDORF / LEIPZIG

Summer All Level Championship 2022

Hamburg - Düsseldorf - Leipzig

The Summer All Level Championship is the newest homegrown competition series of Varsity Europe. Across Germany, cheerleaders from all over Europe have the chance to compete with other teams and don't have to travel far!

The competition series will be hosted with the well known Varsity Europe Quality and due to the low participation fees it attracts the TOP teams from Europe as well as beginner teams that have only started their Cheer-Journey. It's the only competition in Germany where Senior and Junior teams that have not reached Level 3 or 4 yet have the chance to shine on the floor and take home a well desired champions title.

Each event of the series will crown their own champions in each category. The winners will not only come to fame but will also take home great champions banners as well as amazing trophies! On top of the placements and lots of fun, teams will also have the chance to make their way to THE SUMMIT 2023, in Orlando, Florida! All Bids will be given out at each All Level Competition individually.

SARS-CoV-2 measures and possible forms of the events

The most important thing at all our events is the safety of all athletes, participants and spectators. We work closely with the local health authorities to provide maximum protection for all participants with a health concept. Due to the current very unclear and constantly changing situation, there may also be short-term changes to the processes or protective measures and of course to the conditions, e.g. the vaccination status of participants and spectators. We will continuously inform all participants and viewers about changes or the general conditions. We plan to publish the first, more detailed information on the exact conditions on April 3rd, 2022. We are currently assuming that an event with spectators will be possible, but with a probability bordering on certainty it will require 2G proof for spectators.

If we have to make changes to the normal procedure or have to implement extra safety measures that could lead to extra costs to be able to host the event, we will of course keep you updated. You will always have the option to change or cancel your registration completely free of charge. Please note that we can not refund any costs associated with your trip in the event of a cancellation on your or our part.
